Winning contract

BY HOWARD SCHENKEN

and RICHARD L. FREY

Problem

North-South vulnerable, West opens three spaces. North holds: S- A 5, H- A 10, D- K Q J 3 2, C- A 8 6 5. What should be bid?

Solution

When one defender has preempted, the chances are that both defensive hands will contain tricks for declarer, not just the hand of the preemptor. On this deal South did not quite foresee all the dangers.

Kosygin Meets With UN Envoy To Middle East

United Press International

MOSCOW - Sven Jar- ring the United Nations Midd- le East peace negotiator, conferred today in Moscow with Soviet Premier Alexei Kosygin in his search for peace. The Russians have re- armed the Arab nations since their resounding defeat by Israel in the war a year ago. Jarring is the Swedish ambassador to Moscow but he has spent most of his time in the Middle East as a special emissary for Secretary General Thant.

So far he has been unable to get the two sides to the negotiating table and there have been almost daily border incidents between Israel and Arab forces.

His talks with deputy foreign minister Vasily Kuz- netsov and Kosygin look on added significance because of the forthcoming visit to Mos- cow of Egyptian President Gamal Abdel Nasser. Nasser arrived in Moscow four days after Jarring returns to Stockholm en route to U.N. headquarters in New York.
